Carrie,

I have reviewed your permit submittal for the deck in front of you home at 1901 24th Street.

Please address the following issues so I can complete the review:

1. Are the 1x4 and 2x4 on the existing concrete porch preservative treated?
2. The front property line is not identified on the site plan. I have attached a copy of the City Map showing the property lines, buildings etc. The house is somewhere between 25 and 27 feet from the front property line.
3. According to the measurements on your site plan the fence is encroaching in the 24th Street Right of Way. When was this constructed?

ok
