Subject: As-built information request for 3926 Commercial Avenue

cc: Fred Buckenmeyer, Dave Walde, Don Measamer, Rob Hoxie

Thank you for your "Service Request" requesting as-built information in the Fidalgo Avenue and Commercial Avenue area.

The only information that I was able to locate at this time is the City Utility map. Based on the information presented, there is no sewer or water to this lot. The sewer and water will have to be extended to serve the property. The City map identifies invert information on a few of the storm structures in the area.

Attached is an 11x17 color photo of the area that you requested.

Thanks,

Steven Lange
